

African-American Mafia

LeBron James and James Harden are managing armies of gang stalkers through faggotry and are operating as enforcers for the African American Mafia run by black gangster rappers which serve Cosa Nostra. They are on a crazed murderous attack on white people because of the recent govt mass shooting psyop. These idiotic violent black thugs are racist lying accusers looking for reasons to attack innocent white people especially white men because they want to enslave white women for sex trafficking.

The African American Mafia is a destructive crime group in the United States operating the defense for La Cosa Nostra. The African-American mobsters primary agenda is owning all white women and they either influence women to become child murdering cannibals or control women through prostitution and intimidation. The same way the Moors and Africans invaded Europe and trafficked white women as sex slaves which is a documented history the education system tries to ignore. They are similar to the Camorra in Italy and operate as a defense for the Italian Mob. The Corsican-Sicilian mafia which is operating in Baltimore and is overseen by corrupt CIA and FBI agents assist in the trafficking of opium to the Lucchese crime family in New York City and they provide a portion of it to D-Block which is a rap group and organized crime group operating out of Yonkers with Sheek Louch (Lucchese), Jadakiss, and Styles P as rappers and bosses and them and their associates then run it to the block gangs in various cities on the East Coast. The Lucchese crime family operate in Yonkers with their Tanglewood Boys. D-Block are selling heroin to various block gang sets in New York, New Jersey, Connecticut, and Massachusetts and these

block gangs then fight each other for dominance in the cities. They have also expanded nationally. Back in 2005-2006 they turned nearly every street in my nearby city into individual gangs with the most dominant block gang calling itself D-Block. Once the crime increased the local police brought in the federal agents which federalized the local police. D-Block has a gang in New Orleans called D-Block. They have their female agents in the New Orleans Port Authority which is involved in human trafficking and that is why Jay Z and Beyoncé were recently given the "keys to city" of New Orleans. Jadakiss, Styles P, and Sheek Louch are currently signed to Jay Z's Roc Nation. D-Block launders their money at their D-Block Car Wash and Gas located in Yonkers as well as launder drug and criminal profits through their D-Block Records and through mixtapes which are sold on the street and off the books. Businesses like car washes, bars, and strip clubs deal in mostly cash and this is useful in laundering dirty money. D is for Diesel and D is the most common street term for heroin. D-Block is the largest African American organized crime syndicate in the United States and it is not even recognized as a criminal organization. The rapper Styles P from D-Block works with the Italian-American gangster rapper Joseph Genovese whose real name is Genovese along with his cousin the Italian-American gangster rapper Gustapo. Joseph Genovese is close friends with Styles P and Jadakiss.

Joseph Lubrano runs the Lucchese Yonkers division today. The Tanglewood Boys of Yonkers deny he is a member however they said that to protect him. D-Block are probably the highest level black mafia in the United States and are the most powerful mafia organization in the rap industry. As the heads of the Black Mafia in the United States Sheek Louch represents the Lucchese crime family, Styles P represents the Gambino crime family, and Jadakiss represents the Genovese crime family and they are the modern Drug Council formerly headed up by Nicky Barnes. Herb McGruff is a Harlem rapper that works with the Council and their marijuana trafficking. Cam'ron worked with McGruff in the early 90's along with Big L who was murdered. The Cuban and Puerto Rican rapper Fat Joe who is from the South Bronx along with his group Terror Squad work with the Cuban Marielitos gangs which also operate out of the South Bronx. Members of Terror Squad include the rappers Cuban Link, Triple Seis, Prospect, and Armageddon and they work with the African American Mafia. Some high level Puerto Rican mobster rappers also include Joel Ortiz, Chris Rivers the son of Big Pun, and Termanology who works with the Irish Mafia in Boston through Statik Selektah an Irish music producer from the same town as Termanology. Slaine is a rapper and actor as well as a Irish mobster that works with them as well as the Irish rapper and mobster Danny Boy in the group La Coka Nostra. Reks is another Boston rapper and member of the African American Mafia. The Alchemist is a rap music producer connected with many East Coast gangster rappers and he is a white Jewish mobster that works with Paul Rosenberg a Jewish mobster and record executive as well as the Jewish-Albanian mobster and rapper Action Bronson. P Diddy is a front man for the Genovese 116th Uptown Crew headed up by Liborio Bellomo. P Diddy was signed to Andre Harrell's Uptown Records and today Diddy is worth over 800 million. P Diddy and the rapper Shyne who was signed to Diddy's Bad Boy Records were arrested for gun possession and attempted murder. P Diddy got off on all charges and Shyne did 10 years in prison and took the fall as P Diddy's patsy. Shyne is still a criminal even though he took the fall for Diddy. Shyne's father is the Prime Minister of Belize. Belize

The Rockefeller Foundation financed the AVLN and this is why Jay Z calls his record company Roc-a-fella. Jay Z is working with both the Chicago Outfit and Colombo crime family which are both owned by the Colonna family of Rome. RZA is the most evil rapper that I have come across and he is also a 33rd degree Freemason. RZA works with the Outlawz a Jersey based rap group that named themselves after Communist dictators. Outlawz was Tupac Shakur's rap group. Many members of Wu-Tang brag about having white sex slaves and prostituting white women. That seems to be the primary objective of the African American Mafia. To kill white men and enslave white women for sex. G-Unit and Mobb Deep operate out of Queens and work with the Five Families and oversee both the Bloods and Crips in New York City. G-Unit is involved with cocaine under Tony Yayo and prostitution under Lloyd Banks. Gangster rappers and their record companies are criminal fronts. They promote crime and then use their associates to provide drugs, weapons, and organized crime skills to the street gangs. [https://en.wikipedia.org/wiki/The_Council_\(drug_syndicate\)](https://en.wikipedia.org/wiki/The_Council_(drug_syndicate))

The Council was an African-American organized crime syndicate in New York City that controlled the **heroin trade** in the Harlem area of the city during the 1970s. Formed by Nicky Barnes in 1972, the seven-man organization ran the heroin trade in Harlem, handled local criminal disputes, and solved other issues related to the drug trade.[2] **The Council was heavily connected to the Italian-American Mafia in New York City, where Matthew Madonna of the Lucchese crime family supplied the group with raw heroin, which was then diluted and distributed in Harlem.** At its peak, Council-manufactured heroin began to be **distributed across New York State, New Jersey, Pennsylvania, as far west as Arizona, and even into Canada.** [3] Nicky Barnes was sentenced to life imprisonment in 1978, and in 1982 he became a federal informant, with his testimony leading to the dissolution of The Council in 1983.[2]

Jadakiss is a top member of the modern Council. D-Block specializes in trafficking heroin. D stands for diesel a slang term for heroin. When drug dealers sell heroin they almost always call it D. D-Block is the head of the modern Drug Council. Jadakiss works for the Genoveses and Jadakiss, Styles P and Sheek Louch are overall considered equal with Italian made men. D-Block is an organized crime group and the largest African-American mafia in the United States even though it is not recognized as criminal organization. There are D-Block street gangs all over the United States and officially known in New Orleans, Louisiana, Hartford, Connecticut, and Fitchburg, Massachusetts. The D Block gang in Fitchburg was "helped" into staying out of trouble by the Ruff Ryders MC club which was created by the Ruff Ryders record company which was DMX and the LOX's long time employer. Their D-Block street gangs in New England have been mostly Hispanic. There appears to be D-Block street gangs in Ohio and Michigan as well. In a song with Eminem and D-Block Eminem says there is a D-Block in every city and that is basically true. The rapper Sheek Louch literally goes to high

crime areas in cities and makes connections with local gang members initiating them into D-Block and provides them with guns and heroin. Next to the exact street in my region where Sheek Louch was known to be at I had a stick up kid pull a gun from an umbrella and attempt to rob me while I was pumping gas in my car however I was armed and I told him "I got nothing you want" as I gripped my weapon and he slowly walked backwards to the corner he came from like a coward. Street thugs and gangsters are cowards. Jadakiss and these African-American mobsters think they are tough. See how tough they are when they get dragged out of their homes and burned alive or get their heads cut off. That is the only way to deal with thugs and gangsters.

In one of Styles P's lyrics he says "Kidnap a kid and sell him to a Hollywood bitch, I'm from D-Block every nigga over here

sick." They do traffic children and street gangs do kidnap children and sell them to wealthy women who rape, murder, and cannibalize them. This is where the primary issue is with these mobsters. They are involved in child kidnapping rings and pedophilia rings. They are also making money for the mafia and the NWO agenda which involves pedophilia, human trafficking, gang stalking and other depraved crimes. Styles P works for the Gambinos and Luccheses and he likes sending me death threats.

DMX is a Yonkers rapper who has worked with the LOX or D-Block for years and they were all members of the Ruff Ryders. DMX is a psychopath and a career criminal who has spent much of his career in prison and his primary defense is using Christianity as a shield. The old Drug Council had operations into Arizona where DMX has a residence. DMX is so crazy he once impersonated a federal agent and attempted to carjack someone while he was famous. DMX raps about killing women and raping underage girls in front of their father and he is involved with prison faggotry and says in his lyrics "Man, if we was up north, niggas would've been fucked you, But then we in the streets, niggas should've been stucked you" and up north is slang for in prison. So based on DMX's own words he is a faggot like the rest of these thugs.

Earl Simmons (born December 18, 1970),[2] known professionally as **DMX**, is an American rapper and actor.

Earl Simmons was born in Mount Vernon, New York on December 18, 1970, the son of 19 year old Arnett Simmons and 18 year old Joe Barker, and was **raised in Yonkers, New York**.

DMX has spoken openly about **his addiction to crack cocaine**, which began when he was 14 years old after he smoked a marijuana cigarette laced with the drug. He also claims to have bipolar disorder.[2][33]

DMX is a Christian[34] and has stated he **reads the Bible every day.[35]**

DMX was first sent to prison in 1986 after **stealing a dog from a junkyard**. He was sentenced to 2 years in the juvenile unit of Woodfield Prison in Valhalla, New York. However, just weeks after starting his sentence, **he and his cellmate successfully escaped the prison** and DMX returned home to New York until his mother forced him to turn himself in and finish his sentence, which he did at the McCormick Juvenile Detention Centre in Brooktondale, New York.[2] Simmons was **sent to prison again in 1988 for carjacking**, and was later moved to a higher security prison after **attempting to extort a fellow inmate for drugs**. He was released in the summer of 1988.[2]

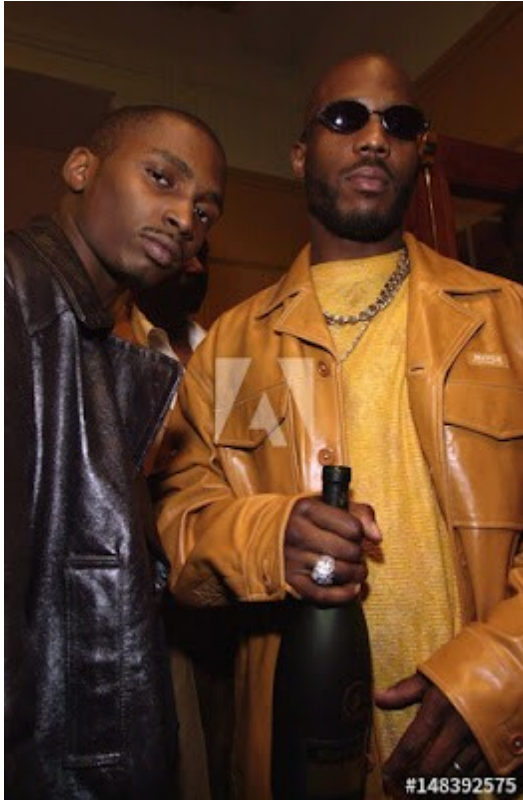

Since becoming a public figure, DMX's multiple arrests have been for offenses including: resisting arrest, animal cruelty,[59] reckless driving,[60] unlicensed driving, drug possession,[61] and identity falsification.[62]

The LOX with Jay Z who currently employs them as rappers but does not run them.

Jay Z is an extremely evil and idiotic front man for African-American organized crime in New York. Most rappers pretend to respect him and prop him up and use him for criminal financing, money laundering, and management. Jay Z works for the Genoveses and the Colombos. Jay Z supposedly stabbed Lance Un Rivera and only got three years probation for it. I have never heard of a person stabbing another person

which is assault with a deadly weapon and only getting probation. That is not normal. I know of several people getting months in prison for possession of a dime bag of marijuana. Many people think this was staged to give him street credibility.

Back then, Jay-Z suspected Rivera of bootlegging copies of his then-unreleased album, Volume 3... Life And Times of S. Carter.

Today, Rivera reveals that this was just a publicity stunt and that he and Jay-Z had planned this incident like 2 businessmen in order to bring hype and promote Hova's upcoming release.

In 1999, Rivera was initially willing to cooperate and testify against Jay-Z, but following the settlement of his \$86 million lawsuit against the rapper in January, Rivera had been substantially less helpful. The lawsuit was reportedly **settled for less than \$1 million.** According to prosecutors' court papers, Rivera said "He would either disappear at the time of the trial or testify in a way that would help his friend.
